Dear Mr. Carter:

Perhaps you did not receive my first letter, so I am writing again on behalf of the Willow Lakes Homeowners Association. We are requesting that this community be placed on the list along with other communities in York County that have public roads within the subdivision so that the County can monitor certain types of vehicles parked on these roads. Please put this before the Board of Supervisors as soon as possible. The parking situation at Willow Lakes has now become a serious problem with large commercial vehicles and a boat parked on the roads.

Once the Board of Supervisors has made their decision, please send notification to me at the above address along with a copy of the ordinance. Your assistance is greatly appreciated. Should you have any questions, you may reach me at the number above.

Sincerely,

Barrie Grimes
Managing Agent
